

RE: Loan Number _____

Dear Loan Customer(s):

Thank you for contacting us to request information concerning a possible sale and short payoff of your loan. If the amount required to pay off your loan is greater than what we determine in our sole discretion to be the value of the collateral property, we may consider accepting an amount less than the current payoff amount to satisfy your mortgage obligation. If unable to make your regular monthly payments, this may allow you to sell your home for less than you owe.

We know how important your credit is to you, and that is why it is important to quickly find a solution. We need your help to do this. You must complete each of the following steps and send us ALL of the required information. We cannot effectively process your request if we do not have all of the information referenced below:

- (1) **SIGNED AND COMPLETED APPLICATION:** Complete every portion of the enclosed 3 page financial information request application and have ALL borrowers sign and date the document where indicated.
- (2) **PROOF OF INCOME:** We need a copy of 2 of the most recent pay stubs for each borrower.
 - If paid monthly, pay stubs cannot be more than 60 days old as of the date we receive them.
 - If paid more than monthly, pay stubs cannot be more than 30 days old as of the date we receive them.
 - If self-employed, send bank statements for the last 6 months to verify the reported income.
 - If you receive other income such as child support, social security, rental income, etc., we require verification showing the amount and duration of the additional income. If unable to verify income, we cannot consider it when processing your request for assistance.

- (3) FEDERAL INCOME TAX RETURNS: We require a complete copy of the most recent federal income tax return for each borrower, including all schedules. If any borrower has not filed a return for the most recent year, we require the prior year's return along with the extension request for the most recent year. W-2s DO NOT satisfy this requirement. If you filed your return electronically, we need you to print and sign a copy for our records.
- (4) LISTING AGREEMENT: Please forward to us a copy of the agreement with the realtor so that we can work with the agent on the sale of the home.
- (5) SALES CONTRACT: Once an offer is received, forward it to us IMMEDIATELY INCLUDING A NET SHEET OR HUD-1 showing the proposed payoff to be realized at sale minus closing costs and commission.

Mail the completed financial information request application along with the additional documents listed above to:

Loan Services
ATTN: Resolution Team, LOC 24-125
150 Allegheny Center Mall
Pittsburgh, PA 15212

or fax the information to: 412-499-3400

Once we have received all the required information, we can begin our review to determine whether a short payoff is appropriate in your circumstance. Please be advised that you are required to continue to make your monthly payments and otherwise comply with the terms of your mortgage loan. If your loan is delinquent, we will continue to pursue collection of the loan including foreclosure, if necessary.

Feel free to call our office with any questions you may have about completing the financial information request application or about any of the required documentation. We are available to assist you at: 800-622-5035, extension 24267, Monday through Friday between 8 a.m. and 10 p.m., Eastern Time.

Sincerely,

Resolution Team

HAS A HARDSHIP AFFECTED YOUR ABILITY TO PAY YOUR MORTGAGE?

WE MAY BE ABLE TO HELP!

If you are able to make a mortgage payment but need assistance to bring your delinquent mortgage current, we may be able to help through one of the following options:

- **REPAYMENT PLAN:** This is an agreement where you resume making regular monthly mortgage payments in addition to paying a portion of the past due payments, until the loan is current.
- **MODIFICATION:** If you can make payments on your loan, but do not have enough money to bring the account current, we may be able to modify the terms of your original loan to bring your loan current.

If you are unable to maintain your current payments due to an increase in payment due to a scheduled rate adjustment, or due to an unforeseen life event that will soon cause you to default on your mortgage, the following option may be available to assist you:

- **MODIFICATION:** If you can make payments on your loan, but have defaulted or soon will default, we may be able to offer you a loan modification that changes the terms of your loan in an effort to make it affordable.

If you are experiencing a long term hardship and need to sell your property, the following options may assist you:

- **SHORT PAYOFF:** If the payoff amount of your loan is greater than the fair market value of your property, you may qualify to sell your home for less than what you owe.
- **DEED IN LIEU OF FORECLOSURE:** If you have had your property listed at the fair market value for an extended period of time with no activity, we may accept title to your property as settlement of the debt. To do this, there generally can not be additional liens or judgments on the home.

Keep in mind that if you are considering filing for bankruptcy or if you have already filed, we may still be able to work with you. Please do not hesitate to contact us or have your bankruptcy attorney do so.

Please follow the directions detailed in the cover letter to take the next step to provide us with the information needed to determine what the best option is for you and your financial situation.
